

THANK YOU.

Thank you to all our valued customers, suppliers, colleagues and friends for their continued support in what has been an extremely challenging year.

2020 was an unexpected and unprecedented year. But even in this darkest of clouds, we saw so many silver linings. Teams working through disruptions. People going out of their way to help and support one another. Companies rising beyond themselves to deliver their commitments.

We are grateful and proud of how our industry come together to overcome one of the greatest crises of humanity, continuing to keep supply chains running seamlessly, enabling the delivery of energy projects safely.

As this year draws to an end, we would like to reiterate why **The AMOS Group** is and will always be your trusted partner in every endeavour.

All of us at **The AMOS Group** wish you, your loved ones, your colleagues and your businesses a Cheerful, Upbeat, Successful and Productive 2021!

Highlights of 2020:

The AMOS Group – All Marine Offshore Solutions is a leading international provider of diversified products, services and solutions to customers in the marine and energy sectors.

The AMOS Group conceptualised and supplied an innovative hybrid lifting package of synthetic and wire rope slings for lifting and installing wind farm structures along with our partner Samson. This lifting package was subsequently utilised for multiple successful lifts in Taiwan.

The AMOS Group is proud to announce our rapid growth in Indonesia, Vietnam and Taiwan, where we supplied multiple solution packages to international EPIC and Energy Groups, each of which were “innovate and cost-effective” as per a satisfied customer testimonial.

ALCONA represents AMOS’ in-house brand of quality and value-for-money products. ALCONA provides our customers with a distinct and broad product line of professional grade equipment, personal gear, and everyday products where we eliminate the middleman costs and provide the quality our customers need at the cost they want.

The AMOS Group is proud to announce that we secured several long-term strategic contracts such as **Marine Supplies, PPEs and Water Filtration Unit** from international shipping and ship management companies. Our customers recognized our partnership as a vital need for managing cost savings while standardizing products and most importantly to improve work quality for their officers and crews onboard.

All of us at **The AMOS Group** wish you, your loved ones, your colleagues and your businesses a Cheerful, Upbeat, Successful and Productive 2021!

Warmest greetings of the season.
