

**Press release:**

**AMOS Group Limited announces appointment of Keith Mullin as CEO**

- Mr. Keith Ian Mullin is appointed as CEO effective 15 June 2021
- Acting CEO Mr. Sheshashayee thanked by Board for his interim leadership of AMOS

Singapore, 22 April 2021 - AMOS Group Limited (藝林控股有限公司 and “AMOS”), a supplier of products, services, and solutions to the Marine and Energy industries, announces the appointment of Keith Ian Mullin as Chief Executive Officer (CEO) effective 15 June 2021.

Mr. Mullin succeeds Mr. Sheshashayee, currently the Acting Chief Executive Officer, who over the past five months has led AMOS and its digital and operational transformation. AMOS is now positioned to deliver world-class quality products and service for customers.

Mr. Mullin is currently an independent non-executive director of AMOS and so is well familiar with the people, operations and opportunities at AMOS. His positive, energetic and team focused management approach complements his over 40 years’ experience in the Marine, Energy and Resource industries with a proven track record of transforming and managing businesses.

Mr. Mullin previously was CEO of Gulf Oil Marine for ten years and during this time led the transformation of Gulf Oil Marine to become a world-class supplier of approved high-quality marine lubricants and associated services to the global shipping industry. While CEO of Gulf Oil Marine he was based in Hong Kong and also served on the boards of Gulf Oil China and Gulf Oil Philippines. Mr. Mullin has since retired from all his roles with Gulf Oil Marine.

Mr. Mullin began his career as a marine engineering officer for ten years with the British Merchant Navy employed by Cunard Steamship Company. In 1989, he joined BP Plc (British Petroleum) and over twenty-one years attained increasing roles of management responsibility with British Petroleum in the UK, Australia, Russia, and Singapore.

Mr. Mullin has dual Australian and British citizenship as well as Hong Kong permanent residency, and he will be relocating with his wife Michelle from Hong Kong to Singapore.

**Mr. Mullin said:** “I am delighted and excited to be joining AMOS. It is a privilege to be joining such a dedicated AMOS team with a long and proud history providing world class products and services to the Marine and Energy sectors. I look forward to continuing the success and growth of the AMOS business and supporting our wonderful staff, our customers, our partners and our suppliers on the next stage of our journey together. I would like to offer my congratulations to Mr. Sheshashayee, for leading the team through the most difficult of recent times and I look forward to building on his excellent transformation of AMOS.”

**Kyle Shaw, Executive Chairman of AMOS, said:** “We are excited to welcome Mr. Mullin as the CEO of AMOS to lead the company during the next phase of our development and growth. AMOS is now well positioned with upgraded management practices, the adoption of digital technology, and advances in our inhouse Alcona products. Most importantly, today’s AMOS management and staff are the key ingredients to our future success. As a current Director Mr. Mullin is familiar with AMOS and has excellent Marine and Energy experience and relationships. The board of directors would like to express their gratitude and appreciation to Mr. Sheshashayee for his drive and determination in leading the AMOS team through these recent months and preparing AMOS for a bright future.”

**End**

**About AMOS Group Limited:**

AMOS was founded in 1974 and was listed on the Singapore Stock Exchange (SGX) in 2012. AMOS currently operates production, logistics and fulfillment centers across Asia, the Middle East, and Europe. Headquartered at its technologically advanced Fulfillment Center in Singapore, the AMOS network strategically links twelve key locations across Asia, the Middle East and Europe, enabling single-point sourcing and supply for its customers.

Through its modern procurement, logistics and supply chain infrastructure, AMOS offers a broad and comprehensive portfolio of world-class technical supplies, services and provisioning solutions to customers in the Marine, Energy, and Industrial sectors.

In addition to representing and supporting industry leading brands through exclusive supplier arrangements, AMOS also markets its own ALCONA brand of professional products including personal protective equipment and a range of technical supplies and daily consumables developed for the Marine, Energy and Industrial workplaces.
